

## TIVERTON SWIMMING CLUB FEES

Tiverton Swimming Club has always aimed to keep its fees as low as possible. We are a non-profit making organisation and, with the exception of our Head Coach and lifeguards, all those involved with the club are volunteers. In fact, if you look around other clubs or providers of 'learn to swim' classes, you will find that our charges are well below most.

In order that we can keep our fees low, we ask two things of our members:-

- Please pay monthly by standing order from your bank.
- Understand that the cost of belonging to the swimming club is based on an annual fee which is spread over twelve months. This minimum charge entitles the swimmer to one swim a week. Members are expected to continue their standing orders, even if they do not swim over the summer holidays. Opting in and out of payment, as and when your child can swim, may incur a "rejoining fee". This rule is relaxed when a child is injured or ill for an extended period of time.

### FEES

Wednesday Badge Night	£18.00 per month
One swim per week	£19.00 per month
Two swims	£27.00 per month
Unlimited swims	£30.00 per month
Over 16's Casual Blocks of 10	£43.00

- **Families with three or more paying members entitled to a discount of 10%.**
- Please note that the fees for "Learn to Swim" classes are not collected by standing order and do not appear in the above list.
- When completing the standing order form, don't forget to quote the name of the swimmer for **our** reference. Cheque for first two months payment needs to be included with the standing order form to allow time for standing order to be processed by the bank.
- If adding another child to your existing standing order, remember to put the **total payment** on the new form, as the new one automatically cancels the old s/o.
