

TIVERTON SWIMMING CLUB PHOTOGRAPHY PROTOCOL

Photography during TSC training sessions is allowed under the following circumstances only.

1. Written permission has been given.
 - a. All members/guardians are asked to sign a consent to photography on the membership form. The wish of any swimmer or parent not to be photographed will be fully respected.
 - b. Any photographer, even with written consent to photograph a particular swimmer, must complete the TSC Photography Permission Book prior to every occasion they wish to take photographs. This book is kept poolside and pool personnel are responsible for providing the book and ensuring that it is completed correctly.
2. Only swimmers for whom the photographer has permission to photograph may be photographed.
3. Any photographs taken with the intent to be used for public display must have the permission of the swimmer[s] or their parent /guardian for this use.
4. Mobile phones may be used for photography but the same consent rules apply as for cameras.
5. Respect for swimmers must be shown at all times.

Note:- 1. Exe Valley Leisure Centre have a “No camera / No mobile phone poolside” policy.
This must be adhered to at all times outside TSC training sessions.
2. Separate “Photography Regulations” apply during competitions.
