SURELY YOU CAN DO BETTER?

We, the new squadron of Young Volunteers, would love to have a brand new name. Young Volunteers is boring, and we know that you can think of a better one.

Just as a little incentive we are going to give the winner a mystery prize!

So far, the best one is: The Fantastic Four!

That's a good name, but we know you can think of a better one! Entering the competition couldn't be easier! All you have to do is think of a name, get an entry form from the noticeboards, write it down and then give it or e-mail it to a Young Volunteer! How easy is that!

We would love it if when we tell people what we are called, we could also say "The swimmers at our club gave us that name!"

We have had a lot of entries, but we would like some more. So give it a go! Good Luck!

Did you know that Dan Ayshford isn't just a super-cool swimmer, but also a radio DJ! Tune in to his show on Wednesday 5-7!
